

O heart of my being, O All, I am one with You.
I am in You, by You and with You.
I recognize You as immutable and the origin of all.
You are Consciousness, omnipresent, omniscient.
You are Wisdom, Love and Truth.
You are the power, the substance and the intelligence from which all things were formed and through which they were created.

You are the life of my spirit, the substance of my soul, the intelligence of my thought.
I am expressing You in my body and in my affairs.
You are the beginning and the end, the very All of the good which I can express.

The desire of my thought which is implanted in my soul is quickened by your life in my spirit.
In the fullness of time, through the law of faith, it is brought into visibility in my experience.
I know that the good I desire is already present in invisible form and but awaits the fulfillment of the law to be made visible and I know that already I have.

The words which I now speak outline to You that which I desire.
As a seed it is planted in the soil of my soul and moved upon by Your quickening life in my spirit.
It needs to blossom, it needs to express itself.
I allow only You Spirit—Wisdom, Love and Truth— to move in my soul.

I desire only that which is good for all and I now ask You to bring it forth.
O heart of my being, O All, within me I ask to express Love, Wisdom, Strength, and Eternal Youth.
I ask to realize Harmony, Happiness, and Abundant Prosperity.
I ask that I may have the understanding direct from You, of the method of bringing forth from the Universal Substance that which will satisfy every good desire.
But that I may have the understanding so that I may be of service to everyone, who is within You.
I ask to receive Truth and Life from you continually.

That which I desire is now made clear. I form in mind only that which I desire.
As a seed begins its growth underground in the quiet and in the dark, so does my desire now take form in the silent, invisible realm of my soul.
I enter my secret room and shut the door.
Quietly and confidently I now hold my desire in mind as already fulfilled.
O heart of my being, O All, I now joyfully await the perfect fulfillment of my desire.
