

O heart of my being, O All, I am one with You.

I am in You, by You and with You.

I recognize your presence within the living that constitutes my whole being.

And I am dust in what I have seen of you, but never separated.

You are consciousness, light, substance, and creative life that oppose emptiness.

You are Wisdom, Love and Truth.

All around me, you are the power, the substance and the intelligence from which all things are formed and through which they are created.

You are the life of my mind, the support of my soul, the intelligence of my thought.

From where I am, I seek to see you and express you to the best of my ability and in truth.

I would like to share the magnificence of what I saw.

Through vigilance, I strive at every moment to remain united with you in thought.

I allow only You Spirit—Wisdom, Love and Truth— to move in my soul.

The desire of my thought which is implanted in my soul is quickened by your life in my spirit.

In the fullness of time, through the law of faith, it is brought into visibility in my experience.

I know that the good I desire already exists in Spirit in invisible form and but awaits the fulfillment of the law to be made visible in my experience and I know that this will only come through the strength of my faith.

This is my wish: Within me I ask to express Wisdom, Love, Strength and Eternal Youth.

I ask to realize Harmony, Happiness, and Abundant Prosperity.

I ask that I may have the understanding direct from You, of the method of bringing forth from the Universal Substance that which will satisfy every good desire.

But that I may have the clairvoyance and love so that I may be of service to everyone who is within You.

O heart of my being, I open my temple to you, giving you my body, my word, and my spirit to create here all the goodness within you, and I keep the soul you have given me to contemplate and love you eternally.

That which I desire is now made clear. I form in mind only that which I desire.

As a seed begins its growth underground in the quiet and in the dark, so does my desire now take form in the silent, invisible realm of my soul.

I enter my secret room with you and shut the door to everything that is not you.

Quietly and confidently I now hold my desire in mind as already fulfilled.

O heart of my being, O All, I dwell united in you in peace and await the perfect manifestation of my desire.
